**EcoPCO AR•X Multi-Purpose Insecticide**

EcoPCO AR•X is a specifically formulated contact aerosol for the professional pest control operator for use in homes, offices, hotels, motels, schools, hospitals, nursing homes, daycare centers, factories, warehouses, storerooms, supermarkets, restaurants, food handling establishments, commercial or institutional kitchens, food processing plants, bedding plants, and transportation equipment (automobiles, buses, trucks, trailers, boats, ships and trains).

**DIRECTIONS FOR USE:**

If it is the practice of a pest control operator to use this product, an immediately effective method for treating many insects is to apply this product to the surface of the insect directly to the insect itself. One should always be aware of the effects of the insecticide on the non-target population. This product is a contact insecticide. It's formulation provides immediate kill of the insect and a residual action. Do not apply this product directly to the structural elements of a building, but rather apply the product in an area where insects are harboring. Always read the full label and follow the directions for use. Keep out of the reach of children.

**KILLS:**

- Ants, carpet beetles, carpeter ants, agaricids, signs, beetles, sc topher, white ants, snails, slugs, spiders, Roaches, crickets, cockroaches, carpenter bees, centipedes, chocolate Ants, carpet beetles, carpenter ants,
